Media Privacy Policy

We love showing glimpses of our events to our community via social media, the internet, internal documents, promotions, digital and print publications and historical archives. If you **do not** wish to be photographed, please advise one of our church leaders, hosts or ushers.

- We try not to post anything that would be embarrassing, objectionable or hurtful to anyone in the photo. If we know someone is shy about such things, we ask them before posting the photo.
- We do not include names of minors on images available to the general public.
- We do not usually put names as captions with photos (except for pastors/staff or other adult members who have given expressed written consent). Names are sometimes used in historical archives and milestone announcements with permission. We typically do not store photo files with individual's names. An exception to this would be the church directory that is password protected and available on the church website.
- We will gladly provide credit for who took a particular photo if desired by the photographer, and we would certainly honor any copyright wishes or restrictions.
- We will gladly remove any photo, immediately, upon request. You can reach us at 619-442-2583 or email us at office@firstpres-elcajon.org.
